

Privacy Policy for My Reader App

At My Reader App, accessible from <https://myreader.app/>, one of our main priorities is the privacy of our visitors. This Privacy Policy document contains types of information that is collected and recorded by My Reader App and how we use it.

If you have additional questions or require more information about our Privacy Policy, do not hesitate to contact us by electronic mail at **policy@myreader.app**.

This Privacy Policy applies only to our online activities and is valid for visitors to our website with regards to the information that they shared and/or collect in My Reader App. This policy is not applicable to any information collected offline or via channels other than this website. Our Privacy Policy was created with the help of the [TermsFeed Privacy Policy Generator](#).

Note: Our privacy policy may change at any time without prior notification. To make sure that you are aware of any changes, kindly review the policy periodically.

Consent

By using our website, you hereby consent to our Privacy Policy and agree to its terms.

Information we collect

The personal information that you are asked to provide, and the reasons why you are asked to provide it, will be made clear to you at the point we ask you to provide your personal information.

If you contact us directly, we may receive additional information about you such as your name, email address, phone number, the contents of the message and/or attachments you may send us, and any other information you may choose to provide.

When you register for an Account, we may ask for your contact information, including items such as name, company name, address, email address, and telephone number. We use **Google** as the provider for authentication, and we collect information about you like your Google ID, name, email, image URL at the time when you authorize us to access such data using Google Sign In.

How we use your information

We use the information we collect in various ways, including to:

- Authorize you and authenticate you on our website
- Set your default profile picture from a Google-provided image URL when you sign in that other users can see to discover you
- Provide, operate, and maintain our website
- Improve, personalize, and expand our website
- Understand and analyze how you use our website
- Develop new products, services, features, and functionality
- Communicate with you, either directly or through one of our partners, including for customer service, to provide you with updates and other information relating to the website, and for marketing and promotional purposes
- Send you emails
- Find and prevent fraud

User Content and Messages

The Service allows you to post User Content, as defined in our [Terms of Use](#). Any User Content you post becomes available to the public via the Service. User Content includes, but is not limited to, reviews, comments, and visual content. If you remove User Content, copies may remain viewable in cached and archived pages or if other users have copied or stored your User Content.

My Reader App takes reasonable measures to keep messages that you send to other Members through the Service private between you and the recipient. However, even if you have deleted the message from your My Reader App inbox or outbox, copies of the message may remain viewable in cached and archived pages or if other users have copied or stored the message.

Log Files

My Reader App follows a standard procedure of using log files. These files log visitors when they visit websites. All hosting companies do this and a part of hosting services' analytics. The information collected by log files include internet protocol (IP) addresses, browser type, Internet Service Provider (ISP), date and time stamp, referring/exit pages, and possibly the number of clicks. These are not linked to any information that is personally identifiable. The purpose of the information is for analyzing trends, administering the site, tracking users' movement on the website, and gathering demographic information.

Cookies and Web Beacons

Like any other website, My Reader App uses 'cookies'. These cookies are used to store information including visitors' preferences, and the pages on the website that the visitor accessed or visited. The information is used to optimize the users' experience by customizing our web page content based on visitors' browser type and/or other information.

For more general information on cookies, please read ["Cookies" article from the Privacy Policy Generator](#).

Third-Party Privacy Policies

My Reader App's Privacy Policy does not apply to other advertisers or websites. Thus, we are advising you to consult the respective Privacy Policies of these third-party ad servers for more detailed information. It may include their practices and instructions about how to opt out of certain options.

You can choose to disable cookies through your individual browser options. To know more detailed information about cookie management with specific web browsers, it can be found at the browsers' respective websites.

CCPA Privacy Rights (Do Not Sell My Personal Information)

Under the CCPA, among other rights, California consumers have the right to:

Request that a business that collects a consumer's personal data disclose the categories and specific pieces of personal data that a business has collected about consumers.

Request that a business delete any personal data about the consumer that a business has collected.

Request that a business that sells a consumer's personal data, not sell the consumer's personal data.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us.

GDPR Data Protection Rights

We would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

The right to access – You have the right to request copies of your personal data. We may charge you a small fee for this service.

The right to rectification – You have the right to request that we correct any information you believe is inaccurate. You also have the right to request that we complete the information you believe is incomplete.

The right to erasure – You have the right to request that we erase your personal data, under certain conditions.

The right to restrict processing – You have the right to request that we restrict the processing of your personal data, under certain conditions.

The right to object to processing – You have the right to object to our processing of your personal data, under certain conditions.

The right to data portability – You have the right to request that we transfer the data that we have collected to another organization, or directly to you, under certain conditions.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us.

Children's Information

Another part of our priority is adding protection for children while using the internet. We encourage parents and guardians to observe, participate in, and/or monitor and guide their online activity.

My Reader App does not knowingly collect any Personal Identifiable Information from children under the age of 13. If you think that your child provided this kind of information on our website, we strongly encourage you to contact us immediately and we will do our best efforts to promptly remove such information from our records.
